

Sompo International Holdings Ltd. (Sompo International) is a specialty provider of property and casualty insurance and reinsurance, established in March 2017 as the result of the acquisition of Endurance Specialty Holdings Ltd. by Sompo Holdings Ltd. (Sompo).

Sompo's core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. In addition, Sompo is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation and a wholly owned subsidiary of Sompo, which trades on the Tokyo Stock Exchange. Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those who matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. At Sompo International, a shared commitment to integrity, teamwork, agility, execution, and excellence define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

### **Reserving –Senior Actuarial Analyst – Supporting Chief Reserving Actuary and Quarterly Reserving Process**

For this position, we are seeking someone who can support the Chief Reserving actuary via reserving analysis, drafting reports, and producing presentations for management. Role will also involve helping drive the quarterly reserving process, working with less senior staff to identify and correct data issues, and to problem solve issues that arise during the quarterly reserving process. Knowledge of SQL is strongly preferred.

#### **Responsibilities include:**

- Work with SVP and Chief Reserving Actuary in producing the quarterly reserving.
- Draft presentations for the loss reserve committees and business units.
- Help draft and review quarter-end and year-end reserve reports for US, Bermuda, and other entities. Will also involve drafting presentations and reports for various board of director meetings.
- Work with other actuaries in revising reserve groupings and parameters.
- Perform actuarial central estimate analysis and deep dive studies as requested.
- Gain a hands-on understanding of the SQL based reserving system.
- Work with less senior actuaries and finance on reviewing reserving data and results and resolving issues as they arise.

#### **Desired Skills & Experience:**

- Working knowledge of SQL is strongly preferred.

## SOMPO INTERNATIONAL

- Proficiency in Excel is expected.
- Strong understanding of insurance and reinsurance financial reporting, as well as the principles of reserving.
- Minimum of four years of overall experience, minimum of 2 years of experience in reserving.
- Exam level of 4 exams up to ACAS level.
- Strong written communication skills and ability to interact effectively with other disciplines.
- Strong analytical and problem solving skills.
- Team player.
- Results oriented
- Self-starter with the ability to work independently.
- Ability to work with less senior actuaries is preferred.

Sompo International offers a competitive compensation and benefits package commensurate with experience. The minimum salary for this position: \$75,000.
