

Sompo International Holdings Ltd. (Sompo International) is a specialty provider of property and casualty insurance and reinsurance, established in March 2017 as the result of the acquisition of Endurance Specialty Holdings Ltd. by Sompo Holdings Ltd. (Sompo).

Sompo's core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. In addition, Sompo is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation and a wholly owned subsidiary of Sompo, which trades on the Tokyo Stock Exchange. Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those who matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. At Sompo International, a shared commitment to integrity, teamwork, agility, execution, and excellence define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking a **Sr. Claims Analyst** candidate for our **New York City, NY** office.

Sompo International is a global professional claims organization seeking a candidate responsible for the analysis, processing and segmentation of proportional and excess of loss reinsurance claims. Responsibilities include the following; analyzing initial/status reports and directing to the appropriate resource to manage the task, ensuring high value proportional claims are properly tracked in claim center, act as a conduit between Claims and Business Services, monitor workflow and ensure timely adherence to department standards. The candidate will work closely with the Manager of US Reinsurance Claims to ensure in coming documents are processed in accordance with department standards and provide overflow Claim Center activity support to the claims team when they are out of the office. Additionally the candidate will be responsible for supervising the reinsurance claim support team.

Responsibilities include:

- Responsible for the triaging of reported claims and making a determination as to the appropriate tasking for efficient processing.
- Review and identify potentially high value proportional and XOL claims for review and attention.
- Interact with Business Services to ensure all high value proportional claims are recorded and tracked in Claim Center.
- Review proportional account bordereau's and identify large claims that require individual reporting.

SOMPO INTERNATIONAL

- Ensure all correspondence reported to Sompo International is managed in a timely manner and back logs are avoided.
- Review and correspond with brokers on any open receivable items.
- Provide technical support to team members that are traveling by managing Claim Center tasks that require immediate attention.
- Develop/implement processes to streamline the workflow and improve labeling of Image Right documents.
- Manage a portfolio of run-off clients.
- Assist reinsurance claim support team with Claim Center reserves, payments, first notice of loss, closings and updates.
- Assist account managers with tracking the following contract features: AAD, Occurrence limits, Aggregate limits and Catastrophe loss event reserving (ACE).
- Occasionally provide audit assistance in the event of need.
- Interact with IT to identify, test and implement improvements to Claim Center.

Desired Skills & Experience

- Minimum of 7 to 10 years of related work experience in the handling of Casualty, Property, Professional and WC claims. Insurance and Reinsurance Claims experience preferred.
- Able to review and analyze claims updates/first notices of loss and recognize the need to escalate for further clarification as to potential damages.
- Communicates clearly and succinctly whether in oral or written form; effectively communicates in a variety of settings - formal and informal; attentive and active listener; straightforward and composed. Conducts effective meetings that add value to customers and drive business results. Negotiates with others and addresses differences of opinion, resolved conflicts in ways that are respectful to others, while advocating for best possible outcome.
- BA/BS degree required.
- Ability to establish close working relationship with Claims technical team, Reinsurance Claims support team, Claim Center Support Team, Business Services and Senior Claims Management.
