About Sompo International

The Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc. (Sompo), whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. Sompo International is a global specialty provider of property and casualty insurance and reinsurance. Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines and specialty lines of reinsurance.

Our Financial Strength

Sompo International's operating subsidiaries have balance sheets comprising high quality assets and excellent liquidity. We maintain ratings of A+ (Superior) from A.M. Best (XV size category) and A+ (Strong) from Standard & Poor's. In addition, we are backed by the financial strength of Sompo Holdings, Inc., which holds more than \$100 billion in total assets.

Our Specialty Focus

With a strong commitment to the specialty markets, each of our teams is led and staffed by experienced underwriters with deep expertise in the class or line of business in which they specialize. It is this focus and dedication that enables us to anticipate and manage our clients' risks, delivering tailored solutions to address their unique exposures.

Our clients know they can count on us to provide responsive and consistently high quality underwriting, actuarial, legal and claims services, today and as their businesses evolve.
