

London Market & Europe Insurance

Sompo International's London Market & Europe platform works through our broad distribution network outside of North America to offer multiline capabilities and exceptional financial strength to accounts around the globe. We seek business partners who, like ourselves, value committed long-term relationships with a focus on the following lines of business:

- Accident & Health
- Aerospace
- Casualty
- Energy
- Financial Institutions
- Management Liability
- Marine
- Political & Financial Risk
- Professional Indemnity
- Property

Within each of these product areas, we pride ourselves on truly understanding our clients' risk exposures, tailoring risk management solutions and providing responsive and skilled claims handling.

Energy

Our Energy team offers an integrated approach to underwriting exposures across all aspects of the energy chain. With years of experience, our dedicated team is an approachable and trusted partner in providing solutions to intermediaries and clients.

At Sompo International Insurance, our approach is to build long-term relationships with our clients. We offer stable and competitive terms throughout the market cycle, backed by the exceptional financial strength of Sompo's balance sheet. We pride ourselves on offering superior service, both in responding to underwriting submissions and in paying valid claims promptly.

Working with our colleagues internationally, we can also incorporate weather derivatives, excess casualty, cargo, accident and health, political risk and professional lines products to develop programmes tailored to specific needs.

TARGET CLASSES

We offer coverage to clients ranging from independents to multinational companies with a focus on:

- Upstream: Contractors, Exploration and Production companies, during operation and while under construction
- Mid and Downstream: Refiners, Petrochemical, Gas Processing, Storage and Distribution companies during operation
- Power: Electricity Generating companies during operation
- Renewables: Wind and Solar companies including offshore wind-farms under construction and during operation

COVERAGE FEATURES

- Meaningful capacity across Risk and Natural Catastrophe
- Monoline to Composite
- Worldwide coverage
- Prompt turnaround by an empowered underwriting team

About Sompo International

Sompo International Holdings Ltd., a global specialty provider of property and casualty insurance and reinsurance, underwrites agriculture, professional lines, property, marine, energy, casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance. Sompo International is a wholly owned subsidiary of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Our Financial Strength

Sompo International's operating subsidiaries have balance sheets comprising high quality assets and excellent liquidity. We maintain ratings of A+ (Superior) from A.M. Best (XV size category) and A+ (Strong) from Standard & Poor's. In addition, we are part of Sompo Holdings, Inc., which holds more than \$100 billion in total assets.

Our Lloyd's Syndicate

Our London-based Syndicate 5151 underwrites exposures across a diverse range of industries utilising Lloyd's network of licenses in the provision of multinational policies bespoke to individual client requirements. Working closely with our Lloyd's brokers and their network of producing agents, our approach is to build long-term lasting relationships with our clients. Endurance at Lloyd's is the managing agent of Syndicate 5151. As an extension of our Lloyd's platform Syndicate 5151, we have access to Lloyd's Brussels via LBS 5385, which is our platform to write European Economic Area (EEA) syndicate risk post-Brexit.
