Sompo International is the international operation of Sompo Holdings and, through its operating subsidiaries, writes agriculture, casualty and other specialty, professional lines, property, marine/ energy and aviation lines of insurance and catastrophe, property, casualty, professional lines and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those whose contributions matter most: our people. Sompo International's headquarters is in Bermuda, and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. A shared commitment to integrity, accountability, collaboration and agility define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

Summary:

We are seeking university students for our **2024 Summer Internship Program**. The 10-week internship program will take place at Sompo International's head office in Bermuda. Our internship program offers students a first-hand look at global risk-management from a variety of different departments. This year, we have two openings:

- Excess Casualty Insurance Underwriting
- Healthcare Insurance Underwriting

Internship program participants will have an excellent opportunity to gain hands-on experience, receive valuable on-the-job training and learn more about the Re/Insurance Industry. Each intern will participate in structured learning and networking events with peers, members of our Executive team and outside brokerage firms.

Qualifications Include

The insurance industry offers complex, dynamic and exciting positions. As such, we welcome interns who have various majors, backgrounds and experiences. For the internship program, we are most interested in college undergraduate students who are serious about entering the Re/Insurance Industry.

- Currently enrolled in a Bachelor's or graduate degree program, with an expected graduation of 2024 or 2025
- Strong academic standing, minimum 3.3 GPA
- Excellent verbal and written communication skills
- Strong analytical, quantitative and interpersonal skills
- Ability to work in a fast-paced team environment with rapidly changing priorities and demands
- Strong proficiency using Microsoft Office (Excel, Word, PowerPoint)
- Desired personal qualities include: energetic, resourceful and hardworking; a commitment to complete the program; and a goal-oriented individual who is enthusiastic about and committed to the insurance industry
- Eligible candidates must be at least 18 years old and authorized to work in Bermuda without restriction (Bermudian or PRC)
