

### **Corporate Reserving Analyst**

Sompo International Holdings Ltd. (Sompo International) is a global specialty provider of property and casualty insurance and reinsurance. Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, aviation, marine and energy, financial and political risks and casualty and other specialty and catastrophe lines of insurance and reinsurance. Headquartered in Bermuda, we currently also have offices in the United States, the United Kingdom, Continental Europe, Latin America, the Middle East and Asia.

Sompo International is a company driven by its core values, a carrier that holds promise, trust and the commitment to protect at the center of everything we do. We recognize that our success is derived directly from those who matter most: our people. Our culture is defined by a commitment to integrity, teamwork, agility, execution, and excellence; and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking a **Corporate Reserving Analyst** to join our **Reserving** team.

#### **Responsibilities include:**

- Assisting the Corporate Reserving team to manage and compile data sets for the quarterly reserving process.
- Preparation of quarterly analyses and reports.
- Assistance with quarterly controls and validation processes.
- Working with other stakeholders such as, Finance and Claims teams on ad-hoc projects.
- Assistance in preparing essential actuarial management information packs and presentations to support decision making across the business.
- Help create and develop process efficiencies.
- Support the data team with items such as reserve class remappings and reconciliation differences.
- Support with ad-hoc projects as and when required.

#### **Desired Skills & Experience:**

- A background in general insurance is preferred, but not essential.
- Excellent academic background with a first or 2:1 in a numerical degree with an understanding of mathematical and statistical concepts.
- Progress in Institute and Faculty of Actuaries examinations (or international equivalent).
- Excellent interpersonal, written and oral communication skills.
- Ability to work well as part of a team in a fast-paced environment.
- Strong IT skills along with knowledge of MS Office is essential.
- Familiarity with SQL and VBA would be beneficial.

Sompo International offers a competitive compensation and benefits package commensurate with experience.

**Sompo International is an equal opportunity employer committed to a diverse workforce.**
