

Head of Corporate Reserving FTC

Sompo International Holdings Ltd. (Sompo International) is a global specialty provider of property and casualty insurance and reinsurance. Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, aviation, marine and energy, financial and political risks and casualty and other specialty and catastrophe lines of insurance and reinsurance. Headquartered in Bermuda, we currently also have offices in the United States, the United Kingdom, Continental Europe, Latin America, the Middle East and Asia.

Sompo International is a company driven by its core values, a carrier that holds promise, trust and the commitment to protect at the center of everything we do. We recognize that our success is derived directly from those who matter most: our people. Our culture is defined by a commitment to integrity, teamwork, agility, execution, and excellence; and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

Responsibilities include:

- Coordinate the Sompo International quarterly reserving process and run the quarterly process in the new reserve platform.
- Assist the Chief Reserving Analytics Actuary to make recommendations to the Chief Reserving Actuary on the booked reserves (MBEs) for the quarter, and various other tasks.
- Ensure smooth operation of the Catastrophe Reserving Committee and cat estimates
- Produce materials for the quarterly reserve meetings and present selected sections at the direction of the Chief Reserving Actuary, if required.
- Develop relationships with finance, ceded, internal and external audit and external consultants to facilitate smooth running of the quarterly close and process improvements.
- Work with the Reserving Function and Business to design an enhanced suite of reserving analytics including leading specific projects such as the Claim Analytics Project.
- Oversee the quarterly booking process and ensure that the IBNR inputs to the ledger are efficiently published and robustly controlled.
- Coordinate the Reserving Function input into the annual planning exercise and perform peer reviews of ACE assumptions changes.

Desired Skills & Experience:

- The candidate needs to have :
- A qualified actuary with at least 5 years of post-qualification experience, preferably in a senior reserving role.
- Excellent interpersonal, written and oral communications skills, including a proven ability to build relationships with senior management and underwriting teams.
- The candidate must be well-organised, with the ability to thrive in a fast-paced environment and consistently meet deadlines without compromising quality.
- Some degree of managerial experience is required.
- Strong IT skills are required, including proficiency with the usual MS Office Products and some programming experience would be beneficial.

Sompo International offers a competitive compensation and benefits package commensurate with experience.

Sompo International is an equal opportunity employer committed to a diverse workforce.
