

Operational Resilience and Outsourcing Consultant

Sompo International Holdings Ltd. (Sompo International) is a global specialty provider of property and casualty insurance and reinsurance. Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, aviation, marine and energy, financial and political risks and casualty and other specialty and catastrophe lines of insurance and reinsurance. Headquartered in Bermuda, we currently also have offices in the United States, the United Kingdom, Continental Europe, Latin America, the Middle East and Asia.

Sompo International is a company driven by its core values, a carrier that holds promise, trust and the commitment to protect at the center of everything we do. We recognize that our success is derived directly from those who matter most: our people. Our culture is defined by a commitment to integrity, teamwork, agility, execution, and excellence; and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are currently recruiting for an **Outsourcing & Operational Resilience Consultant** on a 6-9 month contract.

This role will be:

- (i) to manage to completion remaining deliverables for the Operational Resilience implementation project, and the Outsourcing risk management project,
- (ii) to oversee transition to BAU for these projects including identifying functional owners,
- (iii) to support internal audit in Q1 2023 as they perform an audit of outsourcing processes and procedures.

An extensive understanding of the regulatory requirements relating to outsourcing (both UK & Luxembourg) and operational resilience (UK only) is desirable for this role as well as excellent programme management and planning skills.

Responsibilities include:

Operational Resilience

- Engendering and embedding an operational resilience focussed culture within the business by supporting knowledge sharing, training, capability and awareness;
- Developing incident comms plans for relevant IBS (Important Business Services) and integrating them into existing BCP framework;
- Continuing Scenario Stress testing and managing Lessons Learned/Remediation Actions;
- Updating process maps & resource lists as and when needed;

Outsourcing & Third Party Risk Management

- Embedding the newly developed Outsourcing & Third Party Risk Management framework into the business;
- Establish a framework for ongoing management and developing Exit Plans for Material/Critical Outsourcing & Third Parties;

Desired Skills & Experience:

The candidate needs to:

- London Market Insurance Industry experience and/or experience within one of the regulators
Experience with outsourcing/procurement/,management of third parties is desirable.

Sompo International offers a competitive compensation and benefits package commensurate with experience.

Sompo International is an equal opportunity employer committed to a diverse workforce.
