

Product Analyst

Sompo International Holdings Ltd. (Sompo International) is a specialty provider of property and casualty insurance and reinsurance, established in March 2017 as the result of the acquisition of Endurance Specialty Holdings Ltd. by Sompo Holdings Ltd. (Sompo).

Sompo's core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. In addition, Sompo is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation and a wholly owned subsidiary of Sompo, which trades on the Tokyo Stock Exchange. Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those who matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. At Sompo International, a shared commitment to integrity, teamwork, agility, execution, and excellence define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking a **Product Analyst** to join our **Product Development** team.

This individual will join a team supporting the UK and European businesses within Sompo International with all product-related matters. As the businesses continue to expand so does the requirement for superlative internal technical resource. This role will primarily focus on the Professional Lines teams but will also require participation from time to time on non-line specific market issues and projects.

Responsibilities include:

- Creation and management of proprietary products
- Development and management of form libraries and clause and endorsement banks
- Review of external products
- Creation of endorsements and bespoke solutions for individual risks
- Keeping up to date with relevant market wording developments
- Providing training to colleagues on wording issues
- Remaining on top of regulatory requirements as they apply to products
- Supporting the Professional Lines teams with product innovation
- Liaising with claims colleagues to ensure products continue to reflect underwriting intent

Desired Skills & Experience:

The candidate needs to:

SOMPO INTERNATIONAL

- Be legally qualified
- Have excellent attention to detail
- Possess strong technical drafting skills
- Be comfortable negotiating products with external and internal stakeholders
- Have the ability to manage time and prioritise tasks appropriately
- Be capable of explaining complex concepts in a clear and accessible way
- Be able to thrive in a fast-paced work environment and meet strict internal and external deadlines
- Previous experience in a non-life insurance company product team is highly desirable

Sompo International offers a competitive compensation and benefits package commensurate with experience.

Sompo International is an equal opportunity employer committed to a diverse workforce.
