

Reinsurance Actuarial Intern (Zurich)

Sompo International Holdings Ltd. (Sompo International) is a global specialty provider of property and casualty insurance and reinsurance. Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, aviation, marine and energy, financial and political risks and casualty and other specialty and catastrophe lines of insurance and reinsurance. Headquartered in Bermuda, we currently also have offices in the United States, the United Kingdom, Continental Europe, Latin America, the Middle East and Asia.

Sompo International is a company driven by its core values, a carrier that holds promise, trust and the commitment to protect at the center of everything we do. We recognize that our success is derived directly from those who matter most: our people. Our culture is defined by a commitment to integrity, teamwork, agility, execution, and excellence; and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

Our Zurich office is recruiting **for three Reinsurance Actuarial Interns** to help the Reinsurance Actuarial Pricing Team through the main renewal season for European reinsurance treaties. The period of this internship is anticipated from **July/August 2024 to end of December 2024**.

Responsibilities include:

- Assist in the analysis of actuarial model parameters including loss frequency and severity trends.
- Perform data manipulation on client data and load this into the pricing tools.
- Assist in the pricing of Property, Casualty, Marine, Engineering and Aviation reinsurance treaties including documentation of results and methodologies used.
- Collaborate closely with the underwriting and actuarial teams.
- Other Ad Hoc projects as needed.

Desired Skills & Experience

- Currently pursuing degree in Actuarial Science, Mathematics or similar.
- Strong knowledge of Excel required; programming experience is a plus.
- Fluency in English, any another European language is an advantage.
- Basic knowledge of reinsurance preferred.
- Good verbal and written communication skills.
- Ability to work in a multi-cultural team.
- Ability to manage workflow to ensure that deadlines are met.
- Strong analytical mindset with excellent problem-solving skills.
- Ability to think independently and formulate recommendations.

The successful candidates will acquire knowledge on reinsurance data, models and rating – we believe this provides a good opportunity for entering the wider reinsurance sector.

**SOMPO
INTERNATIONAL**

For consideration, please upload your CV and a Cover letter in English and pdf format along with your salary expectations to Sandra Brescia (sbrescia@sompo-intl.com) and Francesco Brivio (fbrivio@sompo-intl.com).

NB: Candidates must be legally eligible to work in Switzerland (e.g., French/German/Italian/Spanish or any other EU-25 citizenship).

Sompo International offers a competitive compensation and benefits package commensurate with experience.

Sompo International is an equal opportunity employer committed to a diverse workforce.
