

**Reserving Analyst, Sompo International Reinsurance Segment (Zurich)**

Sompo International Holdings Ltd. (Sompo International) is a global specialty provider of property and casualty insurance and reinsurance. Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, aviation, marine and energy, financial and political risks and casualty and other specialty and catastrophe lines of insurance and reinsurance. Headquartered in Bermuda, we currently also have offices in the United States, the United Kingdom, Continental Europe, Latin America, the Middle East and Asia.

Sompo International is a company driven by its core values, a carrier that holds promise, trust and the commitment to protect at the center of everything we do. We recognize that our success is derived directly from those who matter most: our people. Our culture is defined by a commitment to integrity, teamwork, agility, execution, and excellence; and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking a Reserving Analyst to join the Global Reinsurance Reserving team within Sompo International, based in our Zurich office.

The successful candidate will support and work closely with the Reinsurance business across several lines, which includes Property, Professional Lines, Casualty, Motor, Surety, Marine, Aviation and Energy.

**Duties and Responsibilities:**

- Support with estimating best estimate reserves for Sompo International's Reinsurance business on a quarterly basis.
- Produce reserving summary exhibits and reports for peer review.
- Draft presentations for quarterly meetings with underwriting teams and help communicate analysis of results and key trends to these teams.
- Assist with periodic updates of key assumptions and benchmarks utilised in reserve analyses.
- Provide support with the enhancement of the content, format and production of reserving summary reports and exhibits.
- Contribute to reserving process improvements and adhoc projects as they arise.
- Work with the team to address queries and requests from multiple disciplines (e.g. Finance, Capital, Pricing, Underwriting) and external third parties.

**Reporting Lines:**

The Reserving Analyst will report to the Head of Reinsurance Reserving. The role will be part of a dedicated Reinsurance Reserving team based in Zurich and will also benefit from access to shared resources from across the Group Reserving team.

**SOMPO  
INTERNATIONAL**

**Skills, Qualifications and Experience:**

- A minimum of 2 years of experience.
- Degree in Actuarial Science, Mathematics, Economics, or a quantitative field of study.
- Demonstrated progress to actuarial qualification.
- Reserving experience preferred.
- Advanced knowledge of MS Office, in particular Excel, is required.
- Proficiency with ResQ, PowerBI and SQL would be a plus.
- Excellent interpersonal, written and oral communications skills.
- The candidate must be enthusiastic and well-organised, with the ability to thrive in a fast-paced environment and consistently meet deadlines without compromising quality.
- Proactive with a solution-oriented approach.

*Sompo International offers a competitive compensation and benefits package commensurate with experience.*

*Sompo International is an equal opportunity employer committed to a diverse workforce.*
