

### **Risk Data Analyst Graduate**

Sompo International Holdings Ltd. (Sompo International) is a global specialty provider of property and casualty insurance and reinsurance. Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, aviation, marine and energy, financial and political risks and casualty and other specialty and catastrophe lines of insurance and reinsurance. Headquartered in Bermuda, we currently also have offices in the United States, the United Kingdom, Continental Europe, Latin America, the Middle East and Asia.

Sompo International is a company driven by its core values, a carrier that holds promise, trust and the commitment to protect at the center of everything we do. We recognize that our success is derived directly from those who matter most: our people. Our culture is defined by a commitment to integrity, teamwork, agility, execution, and excellence; and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.
