

Through our network of wholesale brokers in the U.S., Sompco International Insurance provides a broad suite of primary and excess products and services tailored to allied healthcare, integrated delivery systems, community-based hospitals and physician groups.

- Backed by the exceptional financial strength of Sompco International (group rating of A+ from A.M. Best in XV size category), our underwriters offer deep industry knowledge, a breadth of multiline capabilities and significant capacity to healthcare industry clients.
- Our dedicated in-house claims team has extensive experience in healthcare claims, taking an integrated approach across products and offering clinical risk management and loss prevention services.
- We seek to gain in-depth knowledge of our clients' risk profiles to develop and deliver customized solutions. Our experienced underwriting team is committed to serving the healthcare market and collaborating with wholesalers to meet the everchanging risk management needs of our insureds.

About Sompo International Insurance

At Sompo International Insurance, we service a broad range of clients from large multinationals to small businesses. Each of our teams is led and staffed by experienced underwriters, actuaries and claims professionals with a depth of expertise in the industry or line of business in which they specialize. It is this focus and dedication that enables us to delivering tailored solutions to manage our clients' unique risk exposures.

U.S. Insurance

We partner with insureds who seek committed long-term relationships with a carrier offering breadth and depth of expertise, exceptional financial strength and global reach. Servicing clients ranging from small businesses to multi-nationals, Sompo International's U.S. insurance team offers a diversified set of specialty insurance products through our network of wholesale and retail brokers. By carefully monitoring changes in the market and truly understanding clients' risk exposures, we offer tailored solutions and responsive service.
