

The events surrounding COVID -19 are presenting new and unprecedented challenges for all of us. Our priority is to ensure that we continue to provide you and our valued clients with the excellent service you expect from us while protecting the health and wellbeing of our staff.

While most of our staff are working remotely, we would like to assure you that we are open for business and we are confident that we will be able to maintain seamless operations. Please continue to use your usual Sompo International Claims contacts and notification systems 24/7 at **+1 877 676 7575** or [insuranceclaims@sompo-intl.com](mailto:insuranceclaims@sompo-intl.com), however, if you have any concerns, below is a list of US heads of the various Claim areas and their contact details. You can also find our details on our website at [www.sompo-intl.com/service/insurance-claims/](http://www.sompo-intl.com/service/insurance-claims/).

I hope you, your families and your colleagues stay healthy and safe.

Regards,
