INSURANCE

London Market & Europe Insurance

Sompo International's London Market and Europe platform works through our broad distribution network outside of North America to offer multiline capabilities and exceptional financial strength to accounts around the globe. We seek business partners who, like ourselves, value committed long-term relationships with a focus on the following lines of business:

- Accident & Health
- Aerospace
- Casualty
- Energy
- Financial Institutions
- Management Liability
- Marine
- Political & Financial Risk
- Professional Indemnity
- Property

Within each of these product areas, we pride ourselves on truly understanding our clients' risk exposures, tailoring risk management solutions and providing responsive and skilled claims handling.

Aerospace

Our Aerospace team offers a range of aviation hull and/or liability products targeted at a worldwide client base of airlines, product manufacturers and airport operators plus their ancillary services, as well as coverage for non-U.S. general aviation clients.

With decades of expertise, our dedicated team is an approachable and trusted partner, working with our intermediaries and clients to develop programs that match their individual needs.

At Sompo International Insurance, our approach is to build long-term relationships with our clients, offering support throughout the market cycle, backed by the exceptional financial strength of Sompo's balance sheet. We pride ourselves on offering a superior service, both in responding quickly to client and broker requests and in paying valid claims promptly.
