

Are you looking for your next opportunity?

Sompo has a unique opportunity for a **Model Development Actuary/Analyst** - we are seeking a nearly or newly qualified Actuary to join Sompo's Risk Modelling team in London. The team is responsible for developing the group's internal capital model, as well as other risk models for the group. As part of the team, the role is project-based and focuses on the development and implementation of risk modelling methodologies. The role offers variety and opportunities for investigation and learning, working both individually and in team-based projects.

Location: This position will be based out of our **London** office. We strive for collaboration which is why we offer a work environment where our employees thrive and develop long lasting careers.

Our business, your impact, our opportunity:

Main Duties and Responsibilities:

- Research data sources and set up processes for data preparation.
- Develop parameterisation processes and model methodology for risk models including the group's capital model.
- Implement methodologies as required.
- Perform tests, validation and prepare model and model change proposals.
- Prepare methodology, implementation, parameterisation and testing documentation.
- The context and life cycle of some projects may require supporting other actuarial functions (capital, pricing and reserving).

Reporting Lines

The Model Development Actuary will report directly to the head of the Risk Modelling team.

Skills, Qualifications and Experience:

- A nearly or newly qualified Fellow of the IFoA, or equivalent.
- Demonstrable programming experience, with the ability to write clean, efficient and well documented code.
- Experience in general insurance, including understanding of commercial lines of business.
- Experience in capital modelling.
- The candidate must be committed to delivering high quality results within deadline, have strong analytical abilities, and be effective both working individually and collaborating within a team.

Our Benefits

We continuously evaluate and update our benefit programs to ensure that our plans meet the needs of our employees and their dependents. Below are a few highlights of our inclusive benefit programs:

- Expansive Health & Wellness Benefits
- Generous Retirement & Savings Plans
- Global Parental Leave & Adoption Assistance
