

Casualty Underwriter, APAC

Sompo International Holdings Ltd. (Sompo International) is a global specialty provider of property and casualty insurance and reinsurance. Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc., whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market.

Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, aviation, marine and energy, financial and political risks and casualty and other specialty and catastrophe lines of insurance and reinsurance. Headquartered in Bermuda, we currently also have offices in the United States, the United Kingdom, Continental Europe, Latin America, the Middle East, and Asia.

Sompo International is a company driven by its core values, a carrier that holds promise, trust, and the commitment to protect at the center of everything we do. We recognize that our success is derived directly from those who matter most: our people. Our culture is defined by a commitment to integrity, teamwork, agility, execution, and excellence; and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking an Underwriter to join our APAC Casualty team in our Singapore office.

Position Overview: As a Casualty Underwriter in Asia Pacific, you will play a crucial role in evaluating and underwriting complex and multinational casualty risks for the region. This position involves assessing the potential risks associated with liability exposures, ensuring that policies are priced appropriately, and maintaining a profitable portfolio contributing to the overall success of the organization.

Responsibilities include:

- Focus on new business production and renewal retention in a growing profitable GL portfolio.
- Underwrites all accounts in accordance with underwriting guidelines and individual authority granted by management.
- Make strategic underwriting decisions on intricate accounts, considering market conditions and company guidelines.
- Monitor the performance of existing policies, identifying areas for improvement and recommending portfolio adjustments.
- Provide input and feedback at the weekly underwriting meetings.
- Monitors all industry and specific account trends. Implements a field service reputation that is recognized as superior in the industry.
- Interact with clients, brokers, and other stakeholders to gather necessary information, explain underwriting decisions, and address inquiries.
- Build and maintain strong relationships with clients to enhance business retention and new business development

Desired Skills & Experience:

The candidate needs to have:

- Relevant experience in casualty underwriting, with a focus on complex and multinational risks in the Asia-Pacific region.
- Power BI/PPL experience beneficial but not essential
- Bachelor's Degree in Finance/Economics background preferred but not essential
- Strong problem solving and decision-making abilities

SOMPO INTERNATIONAL

- Excellent written and oral communication skills
- Exceptional interpersonal skills with the ability to work in a team environment.
- Ability to work effectively in an at times a pressured environment
- Appetite and hunger to learn and grow and 'go the extra mile'.
- Eye for detail
- Ability to organize efficiently
- Competent in all Microsoft packages

Sompo International offers a competitive compensation and benefits package commensurate with experience.

Sompo International is an equal opportunity employer committed to a diverse workforce.
