REINSURANCE

Sompo International Reinsurance

Sompo International Reinsurance underwrites casualty, catastrophe, professional lines, property and specialty lines of reinsurance including agriculture, aviation and space, engineering, marine and energy, surety, trade credit and weather risk. Our account management approach and exceptional financial strength enable us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios around the globe. We are supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

Global Trade Credit, Surety & Political Risk

Our Global Trade Credit, Surety & Political Risk team underwrites proportional and excess of loss treaty programs on a worldwide basis as well as facultative surety programs (except in the U.S. and Canada).

We offer significant capacity covering the following product lines:

- Contract Surety
- Commercial Surety
- Trade Credit
- Political Risk (in conjunction with Trade Credit programs)

Our seasoned team has decades of experience and focuses on building long-term relationships where our value added services are seen as an enhancement to our clients' business. These services include assisting in preparing business plans, offering insights into the market, giving advice on improving operating efficiencies, and providing guidance throughout the underwriting process. Treaty programs are written on either a direct or brokered basis.
