REINSURANCE

Sompo International Reinsurance

Sompo International Reinsurance underwrites casualty, catastrophe, professional lines, property and specialty lines of reinsurance including agriculture, aviation and space, engineering, marine and energy, surety and trade credit. Our account management approach and exceptional financial strength enable us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios around the globe. We are supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

Workers' Compensation Catastrophe

Our Workers' Compensation Catastrophe products focus on low frequency, high severity, excess of loss treaty reinsurance.

We seek to establish long-term relationships with ceding company reinsurance buyers and their brokers. Our focus on product expertise, detailed analysis, and specialized industry knowledge along with strong claims management enables us to provide our clients with customized risk management solutions. We offer quoting and lead terms with the intent of participating in a lead position per program and can provide significant capacity.

Our reinsurance team has offered workers' compensation catastrophe and other specialty reinsurance products on a worldwide basis since 2002.
