REINSURANCE

## GLOBAL PROFESSIONAL LIABILITY

With dedicated professional lines underwriters located in key markets worldwide, we support both excess of loss and proportional reinsurance programs across a full spectrum of professional lines products including directors and officers liability and related products, all lines of professional indemnity, medical malpractice liability, and many classes of errors and omissions coverage.

Our Professional Liability team's approach is built on customer differentiation as an integral component of our underwriting process. We seek partners with sound management practices and strategies as well as effective business processes driving their underwriting, pricing, risk management and claims activities.

We offer significant capacity and look to lead programs or secure an influential position, working closely with our brokers to structure and support reinsurance programs that optimally suit our clients' needs.

### **What you can expect from our Global Professional Liability Team:**

- Trusted and fair-trading partner
- Experienced and approachable executive management team
- Deep bench strength across all disciplines
- Strong focus on original conditions, rate adequacy & limit management
- Responsive and solution-oriented

### **Our Added Value:**

- Best in class underwriting expertise
- Highly skilled claims team with specialized professional liability experience
- Respected contract/legal service

### **About Sompo International Reinsurance**

Sompo International's global reinsurance team brings to each account a depth of understanding of local cultures and specialized capabilities for a wide range of reinsurance products, underwriting the following:

- |                              |                                      |  |
|------------------------------|--------------------------------------|--|
| • Agriculture                | • Mortgage & Alternative Reinsurance | • Regional & Multiline                         |
| • Aviation & Space           | • Personal Accident                  | • Surety                                       |
| • Casualty                   | • Professional Liability             | • Trade Credit                                 |
| • Casualty Facultative       | • Professional Liability Facultative | • Workers' Compensation & Employment Liability |
| • Collateralized Reinsurance | • Property                           | • Workers' Compensation Catastrophe            |
| • Engineering                | • Property Catastrophe               |  |
| • Marine and Energy          |                                      |  |

Our integrated account management approach and exceptional financial strength enable us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios around the globe. We are supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.
