

SOMPO INTERNATIONAL

INSURANCE

U.S. Insurance

We partner with insureds who seek committed long-term relationships with a carrier offering breadth and depth of expertise, exceptional financial strength and global reach. Servicing clients ranging from small businesses to multi-nationals, Sompo International's U.S. insurance team offers a diversified set of specialty insurance products through our network of wholesale and retail brokers. By carefully monitoring changes in the market and truly understanding clients' risk exposures, we offer tailored solutions and responsive service.

Architects & Engineers Liability

Within Sompo Pro, our Architects & Engineers (A&E) Professional Liability team specializes in offering Errors and Omissions (E&O) coverage tailored to address the risk management needs of U.S. based architects, engineers, design builders, construction managers and engineering procurement contractors. Our dedicated team of experienced A&E underwriters are located in Sompo International offices across the U.S. We partner with select wholesale and retail professional liability brokers to address the unique coverage requirements of the A&E marketplace and monitor the emerging trends in the industry to deliver superior service to our clients from risk management through underwriting and claims handling.
