MANAGEMENT SUMMARY

SI Insurance (Europe), SA Zurich Branch ("the Branch") was established in Switzerland on 5th July 2022 and on 28th March 2023 obtained a license to perform insurance activities and underwrite underwriting policies in Switzerland. 2023 was the first year of the branch's operations.

In 2024 the Branch recorded gross written premium of CHF 9,914 thousand (2023: CHF 659 thousand) mostly within general liability class of business. The net earned premium amounted to CHF 1,036 thousand (2023: CHF 46 thousand). The loss ratio of 82% (2023: 53%) is in line with expectations. For the period ended 31 December 2024 the Branch recorded an after-tax loss of CHF 5,021 thousand (2023: loss of CHF 2,002 thousand) driven by administrative expenses incurred in the development of the Branch.

Business activities

SI Insurance (Europe), SA Zurich Branch is a branch of SI Insurance (Europe), SA ("the Company") incorporated under the laws of the Grand Duchy of Luxembourg and authorized by the Commissariat aux Assurances to establish insurance activities headquartered in the Grand Duchy of Luxembourg and to underwrite policies throughout the European Economic Area (EEA) via branches which have been established in Germany, Italy, Spain, France, Switzerland and UK and on a Freedom of Services basis in the remaining member states.

The Company is wholly owned subsidiary by Sompo International Holdings (Europe) Limited incorporated in London, United Kingdom. Ultimate holding company of SI Insurance (Europe), SA is Sompo Holdings, Inc. incorporated in Tokyo, Japan.

SI Insurance (Europe), SA was party to a quota share reinsurance arrangement with its interim parent company, Endurance Specialty Insurance Ltd. ("ESIL") in 2024 covering 72.5% (2023: 72.5%) of all business written net of all other reinsurance arrangements.

The financial statements of SI Insurance (Europe), SA Zurich Branch are audited by Forvis Mazars, Zurich.

The branch acquired and moved into new office premises on 17th June 2024. There were no other significant unusual events which were material.

Strategy, objectives and key business segments

The principal activity of the Branch is the transaction of general non-life insurance business underwritten in Switzerland. The business conducted is principally insurance of property, marine, professional lines and other specialty lines. As of 31st December 2024, it holds licenses to write the following lines of business:

- B5 Aircraft
- B6 Sea, lake and river vessels
- B7 Goods in transit
- B8 Fire and natural hazards
- B9 Other property damage
- B11 Liability for aircraft
- B12 Liability for sea, lake, river vessels
- B13 General liability
- B14 Credit
- B16 Miscellaneous financial loss
- C2 Reinsurance in all classes of insurance issued by insurance companies engaged in non-life insurance

MANAGEMENT REPORT (continued)

The Company's success is dependent on the proper selection, pricing and ongoing management of the risks it accepts. The Company is building a property and specialty insurance business by attracting high quality underwriting talent. The Company will continue to consolidate its position and concentrate its efforts on achieving targeted growth by focusing on its insurance portfolio.

Performance

In its second year, the Branch recorded gross written premium of CHF 9,914 thousand (2023: CHF 659 thousand) with general liability class of business contributing 49% (2023: 58%) of the total, marine business contributing 36% (2023: 0%) and other classes such as property and cyber insurance sharing the rest.

The net earned premium amounted to CHF 1,036 thousand (2023: CHF 46 thousand). Net earnings reflect 72.5% (2023: 72.5%) quota share reinsurance agreement with ESIL.

The net claims incurred during this period were mostly driven by movements in IBNR, given that few claims were reported and settled by the end of the reporting period. The loss ratio of 82% (2023: 53%) has increased due to a higher proportion of marine hull business written in 2024.

For the year ended 31 December 2024 the Branch recorded an after-tax loss of CHF 5,021 thousand (2023: loss of CHF 2,002 thousand). The primary contributing factor to the overall loss for this period is predominantly attributed to the CHF 5,907 thousand (2023: CHF 1,830 thousand) of administrative expenses incurred in the establishment and development of the Branch. This expense reflects the development of operations, particularly as a result of costs related to staffing, infrastructure, and other essential components necessary for setting up and expanding the branch's operational framework. The Branch hired 15 new employees in 2024, some of which are also servicing the Company.

There was CHF 58 thousand (2023: nil) of income recorded from investments since the Branch largely maintains all its liquid assets in a form of a money market fund and cash deposits, including the Tied Assets Accounts.

SI Insurance (Europe) SA, Luxembourg, Zurich Branch ("SI Insurance Branch")

Report of the Statutory Auditor

to the General Representative
on the financial statements
for the year ended 31 December 2024

Report of the statutory auditor to the General Representative of SI Insurance (Europe) SA, Luxembourg, Zurich Branch ("SI Insurance Branch")

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of SI Insurance (Europe) SA, Luxembourg, Zurich Branch ("SI Insurance Branch"), which comprise the income statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies - in accordance with article 28 paragraph 2 Insurance Supervision Act (ISA). 28 para. 2 of the Insurance Supervision Act (ISA) and considering the additional information contained in the report on the audit of the accounts of insurance undertakings in Annex 19 to FINMA-Circular 13/3 on the preparation and audit of the annual accounts of branches of foreign insurance undertakings dated 4 November 2020 (Annex 19 FINMA-Circular 13/3).

In our opinion, the accompanying financial statements (pages 4-12) comply, in all material respects, with the accounting provisions of Annex 19 FINMA-Circular 13/3.

Basis for Opinion

We conducted our audit in accordance with Swiss law and Swiss Standards on Auditing (SA-CH) and the framework for the audit of the financial statements as set out in section 3.2 of Annex 19 FINMA-Circular 13/3. Our responsibilities under those provisions and standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the provisions of Swiss law and the requirements of the Swiss audit profession, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The General Representative is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon (pages 4-12).

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the General Representative for the Financial Statements

The General Representative is responsible for the preparation of the financial statements in accordance with the provisions of Swiss law and the supervisory law of Annex 19 FINMA-Circular 13/3, and for such internal control as the General Representative determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the General Representative is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the General Representative either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Swiss law and SA-CH and the provisions of Annex 19 FINMA-Circ. 13/3 will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on EXPERT Suisse's website at: https://www.expertsuisse.ch/en/audit-report. This description forms an integral part of our report.

MANAGEMENT REPORT

Principal activity and business review

SI Insurance (Europe), SA Zurich Branch ("the Branch") is a branch of SI Insurance (Europe), SA incorporated in Luxemburg. The Branch was established in Switzerland on 5th July 2022 and on 28th March 2023 obtained a license to perform insurance activities and underwrite insurance policies in Switzerland.

SI Insurance (Europe), SA ("the Company") is a wholly owned subsidiary of Sompo International Holdings (Europe) Limited incorporated in London, United Kingdom. Ultimate holding company of SI Insurance (Europe), SA is Sompo Holdings, Inc. incorporated in Tokyo, Japan.

The principal activity of the Branch is the transaction of general non-life insurance and reinsurance business underwritten in Switzerland. The business conducted is principally insurance of property, marine, professional lines and other specialty lines.

Business performance

In its second year, the Branch recorded gross written premium of CHF 9,914 thousand (2023: CHF 659 thousand) with general liability class of business contributing 49% (2023: 58%) of the total, marine business contributing 36% (2023: 0%) and other classes such as property and cyber insurance sharing the rest. The branch also recorded outward reinsurance premium of CHF 5,219 thousand (2023: CHF 310 thousand).

The net earned premium amounted to CHF 1,036 thousand (2023: CHF 46 thousand). SI Insurance (Europe), SA was party to a quota share reinsurance arrangement with its interim parent company, Endurance Specialty Insurance Ltd. ("ESIL") in 2024 covering 72.5% (2023: 72.5%) of all business written net of all other reinsurance arrangements.

The net claims incurred during this period were largely driven by movements in IBNR, given that few claims were reported and settled by the end of the reporting period. The loss ratio of 82% (2023: 53%) has increased due to a higher proportion of marine hull business written in 2024.

For the year ended 31 December 2024 the Branch recorded an after-tax loss of CHF 5,021 thousand (2023: loss of CHF 2,002 thousand). The primary contributing factor to the overall loss for this period is predominantly attributed to the CHF 5,907 thousand (2023: CHF 1,830 thousand) of administrative expenses incurred in the establishment and development of the Branch. This expense reflects the development of operations, particularly as a result of costs related to staffing, infrastructure, and other essential components necessary for setting up and expanding the branch's operational framework. The Branch hired 15 new employees in 2024, some of which are also servicing the Company.

Future development and prospects

The branch aims to grow its premium in 2025, focusing on property, casualty, marine, professional lines, management liability, cyber and financial institutions.

Principal risks and uncertainties

Due to the nature of its activities, the principal risks of the Branch are aligned with those of the Company.

The principal risks and uncertainties facing the Company and the Branch are as follows:

- Insurance risk
- Credit risk
- Market risk
- Liquidity risk
- Operational risk
- Conduct Risk

MANAGEMENT REPORT (continued)

- Regulatory and compliance risk
- Climate change risk

The Board of Directors of the Company reviews risk appetite annually with regard to both the strategic objectives of the Company and its branches and the broader economic climate. The Company has a Risk and Compliance Committee which meets quarterly to provide oversight of the risk framework and to monitor performance against risk appetite using a series of risk and performance indicators.

Extraordinary events

There have been no extraordinary events in the year.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2024

1. General

SI Insurance (Europe), SA established a branch in Zurich on 5 July 2022 (the "Branch") and the Branch became active as a non-life insurance carrier upon obtaining FINMA license in March 2023.

The financial statements have been prepared in accordance with the provisions on commercial accounting of the Swiss Code of Obligations (CO) (Art. 957-963b OR). Apart from the Swiss Code of Obligations, the provisions of the Swiss Ordinance on Supervision of Private Insurance Companies (Art. 5a ISO-FINMA, including Appendix) have been applied for the period from 5 July 2022 (date of incorporation) to 31 December 2024.

The financial statements are prepared under the historical cost convention.

2. Presentation of the annual accounts

The financial statements for the period ended 31 December 2024 were authorised for issue by the General Manager of the Branch on 30 April 2025. The Branch's financial year starts on 1 January and ends on 31 December with the exception of the first financial period which began on 7 July 2022 (date of establishment) and ended on 31 December 2023.

The Branch's functional currency is Euro (EUR). The Financial statements are prepared in Euro and translated into Swiss Franc (CHF). Unrealised gains/(losses) resulting from the transaction of the financial statements in a functional currency EUR to presentation currency CHF are not included in the profit and loss account. The currency translation adjustment is disclosed in the Balance sheet, under the liaison account position.

The exchange rates EUR/CHF used are as follows:

2024 FX closing rate EUR/CHF: 1.06562 2024 FX average rate EUR/CHF: 1.02934

As a result of the financial statements being rounded to thousands, as well as the translation detailed above there may be small mathematical inaccuracies that occur.

The financial statements are prepared using the going concern basis of accounting.

3. Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

For the year ended 31 December 2024

4. Significant accounting policies

Foreign currencies

Transactions denominated in currencies other than the Euro are initially recorded in Euro at the exchange rate ruling at the date of the transactions. All assets and liabilities denominated in foreign currencies are translated at the rate of exchange at the balance sheet date or if appropriate at the forward contract rate. Exchange differences are recorded in the income statement.

Reinsurers' share of technical provisions

The share of technical provisions for reinsured business is determined in a manner consistent with the underlying contractual agreement and the underlying gross business data per treaty.

Debtors

Debtors are valued at their nominal value. They are subject to value adjustments when their recovery is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made ceased to exist.

Deferred acquisition costs

Deferred acquisition costs represent the proportion of acquisition costs incurred which corresponds to the proportion of gross premiums written which are unearned at the balance sheet date.

Technical provisions

Premiums, provision for unearned premiums and unexpired risks

Premiums written are earned on a pro-rata basis over the terms of the contract. The portion of the premiums written applicable to the unexpired terms of the underlying contracts and policies are recorded as unearned premiums.

Provision for claims outstanding

The Company's provision for claims outstanding includes case reserves for losses that have been reported to the Company but not yet paid and a provision for claims that have been incurred but not yet reported to the Company, as well as an estimation of future loss development on losses already reported, in excess of the case reserves. Case reserves are established by management based on reports from reinsurance intermediaries, ceding companies and insureds and consultations with independent legal counsel.

Equalization provision

An equalization provision is recognized for the purpose of mitigating exceptionally high loss ratios in future years. The amounts provided are not liabilities because they are in addition to the provisions required to meet the anticipated ultimate costs of settlement of outstanding claims at the balance sheet date. The movement in the equalization provision is included in the change in gross technical provisions.

Creditors

Creditors are valued at their nominal value.

Accruals and deferred income

This liability includes income received during the financial year but relates to a subsequent financial year, and charges which relate to the current financial year but are payable in a subsequent financial year. Also included are commissions receivable on outwards reinsurance contracts that are deferred and amortised over the term of the expected premiums payable.

For the year ended 31 December 2024

4. Significant accounting policies (continued)

Acquisition costs

Acquisition expenses are costs that are directly related to the production of new and renewal business and consist principally of commissions and brokerage expenses. These costs are deferred and amortised over the periods in which the related premiums are earned.

Administrative expenses

Internal claims management costs are re-allocated from administrative expenses to claims cost.

5. Cash and cash equivalent
