

Sompo International's Marine & Energy underwriters offer traditional and specialized treaty reinsurance products with a focus on hull, cargo, liability, upstream energy, downstream energy, renewable energy and other specialized marine lines. We forge long term partnerships through a deep understanding of our clients' needs and work closely with them to provide tailored solutions. We have built a reputation for exceeding expectations based on quick and efficient delivery and the settlement of claims in a timely fashion.

Products include both proportional and non-proportional treaty reinsurance programs.

Our Marine & Energy Reinsurance team primarily seeks to work with marine and energy insurers with whom we have an existing relationship or a material developing relationship within the context of our account management strategy. In addition, we selectively consider business on a mono-line basis. Our underwriting teams work with brokers and clients worldwide, seeking partnerships with clients who have a proven track record with effective business processes driving their underwriting, pricing, risk management and claims activities.

What you can expect from our Global Marine & Energy Team:

- Trusted and fair-trading partner
- Deep product knowledge
- Responsive and solution-oriented

Our Added Value:

- Best in class global Marine & Energy underwriting
- Highly skilled claims and actuarial teams with global Marine & Energy experience
- Respected contract/legal service with global Marine & Energy experience

About Sompo International Reinsurance

Sompo International's global reinsurance team brings to each account a depth of understanding of local cultures and specialized capabilities for a wide range of reinsurance products, underwriting the following:
