

Sompo International Holdings Ltd. (Sompo International) is a specialty provider of property and casualty insurance and reinsurance, established in March 2017 as the result of the acquisition of Endurance Specialty Holdings Ltd. by Sompo Holdings Ltd. (Sompo).

Sompo's core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. In addition, Sompo is engaged in the provision of insurance services as well as other related services through its global network of businesses operating in 32 countries around the world.

Sompo International is the international operation and a wholly owned subsidiary of Sompo, which trades on the Tokyo Stock Exchange. Through our operating subsidiaries, Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines, weather risk and specialty lines of reinsurance.

As a leading global provider of insurance and reinsurance, we recognize that our success is derived directly from those who matter most: our people. Sompo International's headquarters is in Bermuda and we currently have offices in the United States, the United Kingdom, Continental Europe, and Asia. At Sompo International, a shared commitment to integrity, teamwork, agility, execution, and excellence define our culture, and we strive to create exceptional value for our clients and shareholders and maintain Sompo International as a desirable place to work.

We are seeking a **Senior Actuarial Analyst/ Assistant Actuary** in our **New York City office**, to handle treaty reinsurance pricing for the North America Property and Casualty Reinsurance Team. Position will work closely with the reinsurance pricing actuaries as well as the underwriters.

Responsibilities include:

- Transactional analysis, including pricing and risk assessment of incoming treaty submissions for each business unit
- Designing, building, and refining actuarial models
- Communicating pricing results with underwriters and resolving data issues with clients
- Identifies trends and is able to make adjustments to models and assumptions to evaluate emerging issues
- Supporting underwriters in attending and participating in internal and external broker and client meetings
- Other actuarial responsibilities as defined by management

Desired Skills & Experience

- Three to Eight years of experience. Some pricing experience required, with reinsurance pricing experience preferred. Experience in one or more of the following lines is a strong plus: Standard Casualty, Professional Liability and or Regional/ Multiline.
- Equivalent degree and pursuit of or CAS exam achievement (prefer completion of three to seven exams)

SOMPO INTERNATIONAL

- Candidate should have good communication skills.
- Needs to be able to hit the ground running, pick up our pricing models and work independently.
- The successful candidate will be flexible, team-oriented, demonstrate strong technical and analytical skills together with the ability to multi-task and to prioritize assignments.
- Proficient with MS Office applications with strong excel skills required.
- Knowledge of programming language concepts would be a plus (i.e. ability to write code in one of a number of Microsoft programming languages/environments such as TSQL, Net, VBA, etc.).

Sompo International offers a competitive compensation and benefits package commensurate with experience. The minimum salary for this position: \$110,000. For consideration; please email your resume along with your Minimum Salary Expectations as well as your Minimum Total Compensation Expectations to: sbrescia@sompo-intl.com

**Sompo International is an equal opportunity employer committed to a diverse workforce.
