SOMPO GLOBAL RISK SOLUTIONS

Cyber Suite

Companies of all sizes hold the personal information of their customers and employees. Local and federal data breach laws require companies to notify affected individuals if their personally identifiable information or personally sensitive information is stolen, exposed, shared or accessed without proper authorization. With a collaborative approach and empowered underwriters, Sompo Global Risk Solutions (GRS) Small Business and Middle Market teams have the deep industry knowledge, technical expertise and coverage solutions necessary to help clients manage their cyber exposures.

Cyber Suite is a unique solution tailored to small commercial and middle market clients packaged solely with property and/or general liability coverage available through Sompo GRS. The program is designed to help small and mid-sized businesses in the U.S. respond to a full range of cyber incidents, including denial of service incidents, malware attacks, damage to data and systems from a computer attack and cyber-related litigation.

COVERAGE FEATURES

CyberSuite is available solely in conjunction with property and/or general liability coverage offered by Sompo GRS. The program provides financial protection for a broad range of data compromise response expenses including forensic IT and legal reviews, notifications and support services for impacted individuals, public relations expenses, regulatory and payment card industry (PCI) fines and penalties, reputational harm and reward payments. The program also offers reimbursement for costs associated with the recovery from computer attacks such as data restoration and re-creation, system restoration, loss of business income, extended income recovery, public relations, future loss avoidance and reward payments.

Additional coverages provided include:

- Cyber extortion
- Misdirected payment fraud
- Computer fraud
- Telecommunications fraud
- Identity recovery
- Privacy Incident Liability
- Network Security Liability
- Electronic Media Liability

CAPACITY

- Annual aggregate limits from \$50K up to \$1M
- Program structure and limits may vary by jurisdiction
