## **Sompo International Commercial P&C**

## About Sompo International

Sompo International is part of Sompo Holdings, Inc. (Sompo), one of the leading property and casualty insurance groups in the Japanese market with approximately 27% market share.

- Sompo's net premiums for the 12 months ended June 30, 2019 were \$26 billion USD. As of June 30, 2019, Sompo had \$112 billion USD in total assets and \$16 billion USD in net assets.
- Founded in 1887 and traded on the Tokyo Stock Exchange under the ticker symbol TSE (8630), Sompo has more than 80,000 employees operating in more than 30 countries.
- Sompo International, which includes all of Sompo's Commercial P&C business outside of Japan, is a leading global specialty provider of commercial P&C insurance and reinsurance, delivering extensive products, deep market knowledge, and significant capacity.
- Sompo's Retail business, focused primarily on non-Japanese personal lines insurance, will be brought under the oversight and control of Sompo International by 2020, creating a unique integrated platform for Sompo's business outside of Japan.

## Commercial P&C Business Mix

Trailing 12 Months Ended June 30, 2019

**Gross Premiums Written = \$6,535.2 Million<sup>1</sup>**

## COMMERCIAL P&C HIGHLIGHTS

### Extensive global capabilities and broad network

- A+ admitted and non-admitted paper in the U.S., Bermuda, the UK, Europe and Singapore
- SI Insurance (Europe), SA, based in Luxembourg, complements our London-based Lloyd's Syndicate 5151 with access to Lloyd's Brussels, expanding our underwriting capabilities, products and presence in the European Economic Area
- Access to 47 Sompo licensed entities in more than 30 countries
- Additional licensing capabilities providing clients with access to local paper in more than 160 countries
- Globally networked centers of excellence focused on the specialty markets for cyber, agriculture (AgriSompo), professional lines (SomPro) and property

### Integrated insurance underwriting, risk control and claims services

- Diverse set of products and solutions tailored to the needs of each account, from small businesses to large multinationals
- Collaborative, specialized teams with deep expertise across a broad range of industries
- Global Risk Control Services provide practical risk mitigation services, helping clients to minimize loss
- Dedicated and empowered claims professionals with extensive industry and product knowledge provide efficient and timely claims service and value-added solutions

### Growing reinsurance portfolio across products, geographies and distribution channels

- Strong client relationships enable us to design and implement tailored risk management solutions
- Diverse set of products and solutions delivered by focused teams with localized knowledge in key reinsurance markets
- Disciplined approach to risk management and claims handling, coupled with strong analytical skills
