Management Assurance Policy (MAP) for Public & Private Companies

*Delivering Primary Commercial
Management, Cyber and Professional
Liability Coverage for Public and Private
Companies in a Single, Modular Policy*

Available across the U.S., our Management Assurance Policy (MAP) is designed to help public and private companies address their primary management, professional and cyber liability coverage needs. This fully customizable solution delivers the underwriting and claims expertise of our Sompo Pro and Commercial Management Liability teams, all in a single policy.

COVERAGE FEATURES

- Available coverages: Directors & Officers Liability, Employment Practices Liability, Fiduciary Liability, Commercial Crime, Professional Liability, Cyber Liability
- Up to \$25M capacity for each line of business
- MAP's modular policy form makes it easy to customize coverage options
- MAP offers public and private companies of all sizes significant capacity and exceptional financial strength (group rating of A+ from A.M. Best in XV size category and A+ from Standard & Poor's) through a customizable policy form that makes it easy to identify and address coverage gaps
- Admitted in most U.S. states

TARGET CLIENTS

We partner with public and private companies in the U.S. who seek committed long-term relationships with a carrier offering a strong balance sheet, global reach and breadth and depth of experience.

- Public companies of all sizes, large to mid-sized private and not-for-profit commercial entities, including multi-hospital systems, community-based hospitals and healthcare facilities
- Professional services firms, including lawyers, accountants, financial and management consultants, real estate agents and brokers, architects, and engineers

VALUE ADDED SERVICES

- A simplified declarations page summarizing only the coverages selected in an easy-to-read format
- Underwriting and claims professionals who continuously monitor changes in the market to provide responsive service and solutions that meet each insured's unique needs
- Integrated claims service delivered by dedicated teams of claims professionals with specialized management liability, professional liability, and cyber liability expertise
- A range of risk mitigation services and training offered in partnership with pre-eminent law firms and specialty consulting firms, reducing the frequency and severity of management liability, professional liability and cyber liability claims
- A single point of contact for claims reporting and handling
