

Workers' Compensation & Employers' Liability

The focus of our Workers' Compensation segment is on traditional working layer workers' compensation and employers' liability coverage. We underwrite on both an **excess of loss** and **proportional basis** and coverage is typically provided per person/per occurrence.

We provide significant capacity and look to partner with companies who possess superior underwriting expertise, exceptional claims handling capabilities and effective information technology to drive their results.

Target Classes

Our target companies consist of:

- Specialty operations
