Company Overview (continued)

Global Expansion, Local Approach

With offices in North America, UK, Europe, Latin America, and Asia Pacific, we continue to expand our footprint, ensuring we can support our clients with critical local product and regulatory knowledge, while also providing a global perspective and industry expertise. As we expand geographically, our regional structure enables us to better leverage our underwriting acumen, market expertise, consistency of appetite and excellent customer service that we have always prioritized, locally.

Multinational Business

With hubs in the U.S., Europe, UK, Mexico, Singapore and Japan, our integrated global Multinational platform makes it easier for clients with global operations to access the commercial property and casualty coverage they need through a single point of contact.

Simplicity and Service

Each of our clients are unique, and so are their coverage needs. That is why we are dedicated to a personalized approach. Our teams work closely with our partners and clients to create appropriate risk solutions for them. We also continue to innovate and invest in new technology to service our clients efficiently.

Our Claims Commitment

Our experienced claims team is an integral part of the underwriting and risk control process globally. They are dedicated to ensuring fair and appropriate outcomes for our insureds, providing efficient service and timely payment of covered claims, as well as value-added expertise from product and industry specialists.

Financial Strength

Sompo International is a part of the Sompo Group, a top 10 global provider of commercial and consumer property and casualty (re)insurance headquartered in Tokyo.
