

We provide a broad range of proportional and non-proportional treaty protection across all aviation lines including coverage for airlines, manufacturers, airport operators, general aviation and space risks.

We offer significant capacity covering the following product lines:

Airline Hull and Liability, Aircraft Manufacturers' Product Liability and **General Aviation**

Our team has offered reinsurance of aviation and space risks on a worldwide basis since 2002. An extensive database of historical aviation and space claims and program structures, coupled with our specialized industry knowledge, enables us to provide our clients with customized risk management solutions.

Our Added Value

- Proprietary analytics, modeling tools and databases
- Highly skilled claims team with global aviation and space experience
- Respected actuarial and contract/legal service

What You Can Expect From Our Aviation & Space Team:

- Trusted and fair-trading partner
- Best in class underwriting expertise with deep product knowledge
- Responsive and solution-oriented
