

Our highly skilled Engineering underwriters have deep reinsurance industry experience and mechanical engineering backgrounds. Reinsurance capacity is offered on pro-rata and non-proportional basis and we offer coverage for single project and operational risks.

Project Risks:

- Contractors' All Risks
- Erection All Risks with subsequent testing and commissioning
- Associated additional covers such as Delay in Startup/Advanced Loss of Profits and Third Party Liability

Operational Risks:

- Machinery Breakdown/Business Interruption
- Contractor's Plant & Equipment
- Computer & Electronic Equipment
- Deterioration of Stock

Target Classes

We offer all lines of engineering covers and focus on treaty business written on a worldwide basis, partnering with cedants with local, regional and international portfolios who value our analytic approach and commitment to long-term relationships.

What You Can Expect From Our Team:
