

# Global Mortgage & Alternative Reinsurance

Sompo International's Global Mortgage and Alternative Reinsurance team offers a market for reinsurance of both U.S. and international mortgage credit products as well as structured and other specialized credit and financial reinsurance business.

The highly specialized team underwrites **residential mortgage, multifamily mortgage, title insurance, legal indemnity insurance** and **specialized financial products lines** globally on both proportional and excess of loss treaty basis.

We are active participants in the government-sponsored enterprises (GSEs) risk transfer (CRT) transactions as well as the U.S. private mortgage insurance space and have the resources around the world to participate on international programs.

We look to forge long term partnerships through our deep knowledge of highly specialized lines of business and our outstanding client service.
