

Are you looking for your next opportunity?

Sompo has a unique opportunity for a **Strategic Manager** in our **Continental Europe** team.

We are actively looking for a Strategic Manager with global Insurance knowledge and experience. The selected individual will report directly to the President of Continental Europe Insurance and will play an integral role in the build out and expansion of commercial lines platform across the Continental Europe region. Fluency in English is a key requirement of this role, and any other European language is a plus.

A key feature of this role is to act as a coordinator and manager of multiple projects and initiatives using their knowledge of the industry and being able to lean on and build key relationships across the organization. This is an integral position for a dynamic and expanding division, involving engagement with stakeholders across all functions.

Location: This position will be based out of our **Zurich** office. We strive for collaboration which is why we offer a work environment where our employees thrive and develop long lasting careers.

Our business, your impact, our opportunity:

What you'll be doing:

- Leading the planning and implementation of multiple projects
- Developing a Strategic understanding of the organization
- Responsible for the effective execution on key initiatives
- Collation and delivery of presentations
- Managing the full end to end project delivery lifecycle and produce high quality project/programme plans to tight deadlines
- Engaging with multiple senior leaders and internal & external stakeholders

What you'll bring:

- MBA or similar level university degree
- 4 – 5 years industry knowledge and experience preferably across multi lines to include Property, Casualty, Energy and Marine projects
- Fluency in English and preferably an additional European language is a plus (Italian, French, Spanish or German).
- Agile delivery experience and focus on customer service
- Existing client and broker relationships across Continental Europe a distinct advantage
- Ability to manage people, with strong interpersonal skills, relationship building skills and strong negotiation skills
- Demonstrate ability to effectively manage projects from design through to implementation
- Stakeholder Management experience, up to C-Suite level
