

UNITED KINGDOM

Cyber

Our cyber offering provides insureds with comprehensive first and third-party liability coverage, closely coordinated with risk mitigation and breach response services.

We work alongside our clients throughout the account lifecycle, focusing on understanding their security protocols and mechanisms for defending against Cyber attacks. We will then work with them to mitigate, protect, and in the event of a breach respond to a cyber event through working in collaboration with our claims team and selected vendors.

Target classes

Medium to large global corporations from a wide range of international territories. Industry segments include:

- Hospitality
- Manufacturing
- Financial institutions
- Agriculture
- Mining
- Construction
- Real estate
- Food and beverage
- Professional services
- Retail
- Wholesalers

Coverage features

Primary and excess coverage across the following products:

- Network security and privacy liability
- Media Liability
- Direct and contingent business interruption
- Extortion events
- Regulatory defence
- Digital asset loss
- PCI fines and penalties
- Breach response costs
- Bricking
- Reputational harm

Capacity

\$25M across all products
