# Property, Wholesale

Our London-based Property team offers significant capacity to a wide variety of clients from risk-managed fortune 1000 companies with global exposures to single location and regional accounts. We offer a broad range of property coverage from all risks including natural catastrophe perils to named perils only. We consider all occupancies from light commercial to heavy industrial properties.

Our approach focuses on building long-term relationships with our brokers and clients. This involves delivering tailored solutions for complex and diverse risks, leading claims handling, and maintaining a consistent approach to underwriting.
