## U.S. Insurance

We partner with insureds who seek committed long-term relationships with a carrier offering breadth and depth of expertise, exceptional financial strength and global reach. Servicing clients ranging from small businesses to multi-nationals, Sompo International's U.S. insurance team offers a diversified set of specialty insurance products through our network of wholesale and retail brokers. By carefully monitoring changes in the market and truly understanding clients' risk exposures, we offer tailored solutions and responsive service.

## Healthcare Liability, U.S.

Today's healthcare industry is faced with a complex regulatory landscape and challenging market conditions that impact the way providers manage, retain and transfer risk. To address these significant and dynamic exposures, Sompo International Insurance's U.S. Healthcare Liability practice offers a range of specialized primary and excess professional liability products to community-based hospitals, integrated delivery systems, physician groups and allied healthcare organizations. We also work closely with our Commercial Management Liability practice to offer healthcare D&O coverage as well as other financial products.

We seek to gain in-depth knowledge of our clients' risk profiles to develop and deliver customized solutions. With decades of experience, our team is committed to the healthcare market and is well-positioned to collaborate with brokers and clients to meet ever-changing risk needs.

Our U.S Healthcare Practice is recognized for our Risk Mitigation Recognition program which is unique in its utilization of external quality and patient safety evaluation criteria. This program enhances our under writers' ability to tailor each client program based on the insured's quality and patient safety investment as well as venue, services, and loss experience.
