Preferred Mitigation Contractor Program

To help enhance the claim experience we deliver, Sompō's Preferred Mitigation Contractor Program provides our insureds with a list of preferred mitigation contractors who have been vetted and can be recommended with a high degree of confidence following water, fire and catastrophe losses.

Benefits

All mitigation contractors participating in the program:

- Are national firms that operate under a corporate structure. There are no franchises or affiliate entities.
- Have signed an Agreement with Sompō which includes dispute resolution, confidentiality, indemnity, and liability insurance requirements.
- Feature extended labor and equipment discounts, as outlined in their respective agreements and rate sheets.
- Have agreed to place Sompō insureds as priority clients, ensuring the highest level of service following a loss.
- Will contract directly with you for services.

Details

To access a participating contractor, simply call the designated Sompō contact following a loss event.
