

Sompo Pro Architects & Engineers Liability

Within Sompo Pro, our Architects & Engineers (A&E) Professional Liability team specializes in offering Errors and Omissions (E&O) coverage tailored to address the risk management needs of U.S. based architects, engineers, design builders, construction managers and engineering procurement contractors. Our dedicated team of experienced A&E underwriters are located in Sompo International offices across the U.S. We partner with select wholesale and retail professional liability brokers to address the unique coverage requirements of the A&E marketplace and monitor the emerging trends in the industry to deliver superior service to our clients from risk management through underwriting and claims handling.

TARGET CLASSES

- Large architecture, engineering, landscape planning, design builders and construction management firms (annual fees of \$2M to \$75M)
- Expanded appetite for structural, civil, soils/geotechnical, mechanical, process engineering and mechanical/HVAC engineering risks

SIGNIFICANT CAPACITY

- Up to \$10M limit
- Retentions starting at \$10K
- Premium starting at \$15K
- Primary and excess follow-form capacity offered on a surplus lines basis, including E&S practice and project specific coverages
- Exceptional financial strength (group rating of A+ from A.M. Best in XV size category and A+ from Standard & Poor's)

COVERAGE OFFERINGS

- Available coverages include:
 - Disciplinary Proceedings, Regulatory Fines, Peer Review, ADA, FFHA, OSHA (included in the policy)
 - Network Security & Privacy Liability
 - Participation in LLC or Joint Venture
 - Defense outside the limits option
 - Waiver of Subrogation where required by contract
 - Owner/3rd Party Vicarious Liability coverage option
 - Contractor's Covered Operations Pollution
 - Single Project XS Limits
 - Mediation Credits up to \$25,000

- Definition of Covered Professional Services includes: architect, engineer, land surveyor, landscape architect, construction manager, interior designer, environmental consultant, scientist, land planner, space planner, expert witness, or a technical consultant or LEED Certification Consultant, including when such services are rendered pro bono or in a professional peer review.
- Multinational platform for foreign insurance requirements
- Manuscript coverage capabilities to address unique coverage requirements

VALUE ADDED SERVICES

- Complimentary contract review services provided by participating A&E specialist law firms to assist in identifying opportunities to improve upon challenging contract terms and conditions
- Risk Control Services for non-claim legal matters relating to your firm's professional liability
- Dedicated in-house claims professionals who are experienced attorneys with specialized A&E professional liability expertise
- Access to Smart Risk: Services include performance management review & risk assessments, continuing education webinar training and an industry leading risk management library/newsletter.

SUBMISSION MATERIAL

- A&E application and attachments (competitor applications accepted with a warranty letter)
- Five years of currently valued carrier loss runs
- Most recent financial statement
